CAD/Design/Drafting Scholarship Award Competition
Judging Form

Level of Judging: ____ **Local** ____ **Regional** ____ **National**

Division: ____ **CAD** ____ **Hand Drafting**

Contestant Code _____ **Chapter #**_____ **Region** _____

Judges shall evaluate each project with the following point system:

Line Weights & Lettering/Text Size: The differentiation of drafted lines in the presentation according to a system that reflects proper designation of the lines as a representation. Size of text appropriate to scale of drawing.

Placement and Presentation: Neatness and consistency in the identification of parts of the drawing, including spelling, punctuation, and layout of drawings on the page.

Orientation and Accuracy: The inclusion and accuracy of all required and appropriate parts within the drawing as a whole. Completeness of response to identified program needs.

Creativity: Thoughtful and successful solution to the project, including ideas of layout, presentation, and building design.

DO NOT WRITE OR MARK ON ANY OF THE DRAWINGS OR THE NARRATIVE – USE THE REMARKS SECTION!

Requirements:

Design Narrative (must be typed) – 20 points maximum	
Meets Client Needs – 10 points maximum	
Special Design Features – 5 points maximum	
Spelling and Grammar – 5 points maximum	

Sheet A-1 Site Plan with Roof Plan – 20 points maximum	
Line Weights & Lettering/Text Size – 4 points maximum	
Placement and Presentation – 5 points maximum	
Orientation and Accuracy – 6 points maximum	
Creativity – 5 points maximum	

Sheet A-2 Floor Plans – 35 points maximum	
Line Weights & Lettering/Text Size – 7 points maximum	
Placement and Presentation – 8 points maximum	
Orientation and Accuracy – 10 points maximum	
Creativity – 10 points maximum	

Sheet A-3 Exterior Elevations (2) – 30 points maximum	
Line Weights & Lettering/Text Size – 7 points maximum	
Placement and Presentation – 8 points maximum	
Orientation and Accuracy – 5 points maximum	
Creativity – 10 points maximum	

Sheet A-4 Building Section and Wall Section – 30 points maximum	
Line Weights & Lettering/Text Size – 7 points maximum	
Placement and Presentation – 8 points maximum	
Orientation and Accuracy – 7 points maximum	
Creativity – 8 points maximum	

Sheet A-5 Electrical Plans – 25 points maximum	
Line Weights & Lettering/Text Size – 6 points maximum	
Placement and Presentation – 7 points maximum	
Orientation and Accuracy – 6 points maximum	
Creativity – 6 points maximum	

Sheet A-6/A-7 Optional Drawings – 20 points maximum	
Optional Drawing #1 – 10 points maximum	
Optional Drawing #2 – 10 points maximum	

Total Points – 180 points maximum
